

LEGGZ OF ART PROGRAM

Our **Leggz of Art** program began in 2021 and has seen a Canadian artist selected each year since, to collaborate with and develop an exclusively designed pair of leggings, highlighted through She's Got Leggz social media channels and through our corporate and replicated websites. The program, which also sees \$1 from every pair sold support a charity, has been a huge success and **we are looking for our next collaboration artist!**

This is an outstanding opportunity to feature your story and your artwork on a national level. She's Got Leggz will promote you as an artist and your artwork as part of our Leggz of Art program.

To participate in the selection process, the artist - the original creator of the art - will **submit an Application Form and a PDF file of the artwork** that could be developed as wearable art. The artist understands that She's Got Leggz inc. requires exclusive use of the pattern selected and a \$250 honorarium will be awarded to the artist when the leggings are launched. The artist will also assist in the selection of the charitable organisation the per-pair donation will be awarded to. The selected artist will be asked to sign a confidentiality and non-compete agreement.
